IMPORTANT INFORMATION

MEMBER REGISTRATION:

Application for FPEAK membership registration is Kshs. 40,000. This fee is payable once and not refundable even when a member leaves the association.

When a member is making their first-time application, they will be required to pay the registration fee plus the subscription fee for the quarter in which they are joining the association according to their FOB value as shown in the table below.

MEMBERSHIP SUBSCRIPTION:

- When a member joins the association, they are required to pay subscription fees payable on a quarterly basis (every three months).
- FPEAK subscription fees are calculated and categorized based on the members (exporter's) Free on Board (FOB) cash values.
- For as long as a member company is subscribed to FPEAK, it shall be required to make timely payments every first month of the subsequent quarter. Failure to pay will be a basis for the association to evaluate the membership.
- In the event that a member company wishes to leave the association it shall do so in writing addressed to the Chief Executive Officer through the provided FPEAK office emails.

Below is a table of the various subscription categories and corresponding FOB values:

FPEAK Subscription Categories			
Category	Yearly FOB Value	Annual Subscription	Quarterly
One	0-50 million	Kshs. 56,000	Kshs. 14,000
Two	51-100 million	Kshs. 105,000	Kshs. 26,250
Three	101-250m	Kshs. 210,000	Kshs. 52,500
Four	Over 250m	Kshs. 350,000	Kshs. 87,500

✳️NB: The new rates are effective April 19, 2024. ✳️

✳️DATA POLICY✳️

FPEAK upholds stringent data protection measures to ensure the confidentiality and security of the necessary information collected. With the assurance that FPEAK will utilize the data solely for registration purposes, communication and management will not share it with third parties. Members have the right to access, correct or delete their personal data upon request. Data is retained only as long as necessary and securely disposed off when no longer needed. We employ security measures to protect personal data from unauthorized access, disclosure, or misuse.
